

What is Erasmus+?

Erasmus+ is an EU programme aiming to support the educational, professional and personal development of people in education, training, youth and sport, in Europe and beyond, through lifelong learning.

Why apply to Erasmus+ calls?

Participating in an Erasmus+ project offers new access for training and education.

ENHANCING SKILLS AND EMPLOYABILITY

Acquire new skills, knowledge, and experience through study periods, traineeships, and volunteering abroad. Improve employability, enhance career prospects.

PROMOTING MOBILITY AND INTERCULTURAL UNDERSTANDING

Provide individuals with the opportunity to experience new cultures, languages, and perspectives.

SUPPORTING INNOVATION AND COOPERATION

Promote the development and implementation of new practices and initiatives in education, training, and youth.

STRENGTHENING PARTNERSHIPS AND NETWORKS

Establish partnerships and networks across Europe, strengthen collaboration and promote the exchange of ideas and knowledge.

Euroquality in Erasmus+

Euroquality showcases a success rate of over 80% for Erasmus+ applications, with a 100% success rate for strategic partnership projects in 2019, 2020 and 2022. Euroquality is armed to support its partners in the setting-up of successful projects!

Who can apply to Erasmus+?

As a general rule, participants in Erasmus+ projects must be established in a Programme Country. Some Actions, notably in the fields of higher education, vocational education and training, and youth, are also open to participants from Partner Countries.
